NOTE FOR: Chief, Litigation & Legislation Division, OGC
FROM: Deputy Director, Office of Legislative Liaison

Attached is latest version on the draft bill. It does represent an agreed upon version except for the bracketed portion in 701(f)(2). (f)(2)(A) had been agreed to at our meeting yesterday and (f)(2)(B) is a proposal by [redacted] last night. We will not accept (f)(2)(B) because it extends the court's current power to look at disputed documents and lets courts look at whole files. We are anxious to retain (2)(A) in some fashion, but we will let you know in the next draft how we face. In the meantime, please look over this draft, ignoring the (f)(2) question for the moment though would be grateful to you for your advice on this issue as well.
